CENTRAL LYON MIDDLE SCHOOL**

NOTICE TO PARENTS AND GUARDIANS OF CENTRAL LYON STUDENTS

As we near the start of another school term, the Central Lyon Community School District reminds parents and guardians of our students of a number of items:

Health and Accident Insurance - Central Lyon Community School District **does not carry health and/or accident insurance on students.** You should visit with your insurance agent regarding coverage for students while involved in school activities, including all regular school events and sports activities. Parents and guardians are responsible for medical costs incurred by their students.

A student accident policy is available to all students, which helps to supplement any major medical coverage carried. This should be purchased prior to the first day of school. Enrollment forms are available at both the Elementary-Middle School and the High School offices.

Personal Property - Central Lyon Community School District is not responsible for damage to or theft of any personal property of a student of his/her family, including but not limited to items of clothing, books, sports equipment, jewelry, etc. Be advised that the student is responsible for items brought to school or on a school activity.

Extracurricular Activities - Central Lyon Community School District is not responsible for student injuries or loss of property while students are participating in events. There are many instances where practices or rehearsals of these events are not sponsored by the school district.

While the safety and well-being of our students is our most important goal at Central Lyon, accidents and injuries do occur, and personal property may be misplaced or stolen. The Central Lyon Community School District is providing this information to you so that your students' activities and participation may be planned accordingly, and that necessary precautions and insurance coverage, if needed, is arranged for by the parent and/or guardians.

Should you have any questions regarding this information, please do not hesitate to contact the administration office. Thank you for your attention to these matters.

CO-CURRICULAR ACTIVITIES CODE OF CONDUCT

The following code of conduct pertains to any Central Lyon Community School student who is participating in co-curricular activities.

Any student involved in co-curricular activities whose conduct would make him or her unworthy to represent the ideals, principles, and standards of his or her school may be ruled ineligible by the school board and school and will remain ineligible until the school administrator reinstates that student's eligibility.

The determination and period of ineligibility are the responsibility of the Principal and Athletic Director. Due process, as outlined in Board Policy 503-4, will be afforded all students.

The rules are listed below:

FIRST OFFENSE

1. In the event that a student comes under the jurisdiction of any court for juvenile delinquency or is charged with a crime, except minor traffic violations, he/she may be declared ineligible to participate in co-curricular activities.

Option A – The student will not be permitted to participate in twenty-five percent of the scheduled contests or performances during the season of the violation or if the violation occurs out of season the penalty will be imposed during the next co-curricular activity in which the student elects to participate.

Option B – The student will miss the next scheduled event and perform 10 hours of community service through the school. The student must complete the community service in thirty calendar days from the date of suspension.

2. In the event that a student admits to, or is found guilty of, illegal use and/or possession of or use of tobacco, and/or drugs, and/or alcoholic beverages,

he/she shall be declared ineligible for participation in co-curricular activities. It is understood that the student will be given due process rights in all instances, and that the school administration and school board have approved these conduct rules.

Option A - The student will not be permitted to participate in twenty-five percent of the scheduled contests or performances during the season of the violation or if the violation occurs out of season the penalty will be imposed during the next co-curricular activity in which the student elects to participate.

Option B - The student can elect to participate in eight hours of counseling with approval and a referral from a school official. Court Assigned JADE will provide the counseling services that will deal directly with the substance abuse. Costs for counseling will be the responsibility of the student and/or parents or guardians. In addition, the student will also not be permitted to participate in **one** scheduled contest or performance during the season of the violation or if the violation occurs out of season the penalty will be imposed during the next co-curricular activity in which the student elects to participate.

The student will be placed on 12 months' probation following the first offense. If no other violations occur during the probationary period, the student's status will return to normal.

SECOND OFFENSE

If this offense occurs during a student's probationary period, the student will not be permitted to participate in fifty percent of the total scheduled contests or performances during the season of the violation starting with the next contest or performance. If the violation occurs out of season, the penalty will be imposed during the next co-curricular activity in which the student elects to participate. The student will be referred and required to participate in and complete a substance abuse program, at his/her own expense.

The time remaining on probation will be extended to twelve months.

THIRD OFFENSE

A third offense within any probationary period will result in a one-year suspension from all co-curricular activities. The student will also be required to complete a substance abuse program, at their own expense, to regain eligibility.

In the event of a violation of the good conduct rules, the student and his/her parents/guardian will meet with a committee composed of the following school personnel: Principal, Athletic Director (if athletics are involved), activity sponsor, and/or coach. The student's probationary contract and terms of probation will be discussed. If a substance abuse program is chosen or required, the student and his/her parents/guardian will meet with the aforementioned committee and the counselor upon completion of the substance abuse program.

Special Provisions

1. Each day of actual competition will count as one event when completing the period of ineligibility.
2. Mid to late-season suspensions - If the number of events a student is ineligible to participate in exceeds the number remaining in the current season, the ineligibility

will carry over into the next season or activity. The numbers of activities or events carried forward will be pro-rated.

3. After each violation of the good conduct rule a student is on probation for a year. If no violations occur during the probationary period, the student's previous Violations are eliminated from his/her record.

5. Each activity sponsor shall retain the prerogative to add additional regulations pertaining to the activity. Example - training hours, attendance requirements, etc. A copy must be on file with the principal and athletic director.
6. In the event the situation occurs which is not covered in this policy, the building principal will provide a ruling based under his belief as to what the intentions of this policy are.

8. If violation of rule two (2) involves tobacco, counseling will be provided by the school's guidance counselor.
9. Definition of Substance Abuse Program: Program on substance abuse provided by a state licensed agency.
10. When a student has started (enrolled) his second year of middle school, he/she will not be permitted to use a co-curricular activity he/she has not previously participated in to work off a period of ineligibility without the approval of the Principal.
11. Actual competition will be defined as, one calendar date in which a student is scheduled to participate in public.
12. The school board reserves the right of early reinstatement of student's eligibility if recommended by an administrator.

Students apprehended and charged by a law enforcement agency during the school year for violation of the above rules must report the violation the next day that school is in session. Failure to report the violation will result in a one-year suspension. When school is not in session, the student committing the violation shall report it no later than the next day school is in session. If the student is involved in a summer event or sport he/she must report the violation to his/her sponsor or coach during the next practice or event.

DETENTION

Students may be assigned detention by any member of the faculty. Detention is primarily to deal with discipline infractions not occurring in the classroom. Such offenses would include hallway infractions (such as running, pushing, tripping, etc.), misbehavior in the lunch line or the cafeteria, unexcused tardies to class, and other actions which are contrary to the orderly overall operation of the school. The CL Community School District Board of Directors has authorized the use of video cameras on school premises. The video cameras will be used to monitor student behavior and insure the safety of all students.

Students and parents are hereby notified that the content of the videotapes may be used in a student disciplinary proceeding. The contents of the videotapes are confidential student records and will be retained with other student records. Parents may request to view videotapes of their child if the videotapes are used in a disciplinary proceeding involving their child.

BUS INFORMATION

Specific Bus Rider Rules have been established to insure maximum order and safety on the buses. If a rule is broken, the driver will verbally reprimand the student. If the behavior continues, and the child will not obey the bus driver, the driver will report the student to the principal. The principal will visit with the student and possibly give him a chance to “shape up”.

If a discipline problem should become more serious, the bus driver should follow the following steps:

- Step 1: Passenger/Rider will be assigned a seat for three to five days. A formal written report will be given to the Building Principal and a report will be sent to the parents/guardians. (FIRST FORMAL NOTICE)
- Step 2: The second incident will result in a suspension of riding privileges not to exceed five school days. The student must be in attendance at school during the bus suspension. A call and written Notification (SECOND FORMAL NOTICE) will be made to the parents by the Building Principal, notice to the transportation supervisor or superintendent.
- Step 3: The third offense (THIRD FORMAL NOTICE) will result in suspension of bus riding privileges up to the remainder of the school year.

BUS REGULATIONS

Riding the school bus is a privilege. Improper conduct on the buses or at the bus stops will result in that privilege being denied for a period of one week. Repeated misbehavior will result in the privilege being denied for the remainder of the school year. Students in Grades K-8 may ride the town shuttle buses.

Bus students are to go immediately to the buses as soon as they are dismissed from school in the afternoon.

Students should be on time at the designated school bus stops and should wait until the bus comes to a complete stop before attempting to enter.

While on the bus, students should keep hands and heads inside the bus at all times. Remember that loud talking and laughing divert the driver's attention and make safe driving difficult. Horseplay is not permitted around or on the bus.

LUNCH ACCOUNTS

Central Lyon's Lunch Program is a pre-pay program. Students are required to keep a positive balance in their account. When their account is getting low, a reminder slip will be sent home when the account is below two dollars. When family accounts show a \$10.00 or more negative balance, a sack lunch will be provided. Students will not be able to eat regular hot lunch, when their accounts show a negative balance of \$10.00 or more. The principal will notify parents when the account becomes delinquent. All lunch accounts must be paid at the end of the school year or the student will not receive their report card. If you have questions in regards to your child's account, please call the office and ask for Rhonda.

LUNCHROOM RULES

Student behavior in the lunchroom should be based on courtesy and cleanliness. This means leaving the area in the condition you would like to live in. Students are to remain in the cafeteria until the lunch period is over. At no time are pupils allowed to take food outside the cafeteria.

1. Students eating hot lunch will sit at assigned tables. Return tray to window after eating. After you have returned your tray, return to your table. No throwing of food or of anything else. If food is spilled, let the teacher know and it will be cleaned up.
2. Dismissal from the lunchroom:
 - a. Check floor around your table to be sure nothing is on the floor.
 - b. You will be dismissed by the teacher(s) on duty.
 - c. You should remain quiet as you return to your lockers and rooms.
3. Detention will be assigned and/or seats will be changed for students unable to observe reasonable standards of lunchroom behavior.

STUDENT APPEARANCE

Students will be expected to keep themselves well groomed and neatly dressed at all times. Any form of dress or hair style which is contrary to good hygiene or which is distractive or disruptive in appearance and detrimental to the purpose or conduct of the school will not be permitted. Shirts advertising alcoholic beverages or those with obscene or questionable printing on them will not be permitted.

1. We depend upon your good judgment in helping your child dress appropriately for school. Children are usually well-groomed and dressed neatly for school. We appreciate students who have been taught to care about how they look. Children with clean hands, hair and clothing, feel better about themselves. Their classmates feel better about them too, and will generally find them more acceptable to be with than someone who is poorly groomed. Clean kids are happier kids at school.

2. We feel that a proper learning environment includes children properly dressed for school. Shorts are acceptable on warm days. However, shorts that are too short or too tight, halter tops, spaghetti strap tops, "muscle" shirts and "crop tops" are not appropriate school wear. Clothing that leaves the belly button or undergarments exposed are not appropriate for school. Clothing and personal appearance should not interfere with education. Chains on billfolds will not be allowed at school. Heelys (roller shoes) are not allowed to be worn at school or at school activities. If you have questions or comments on student dress, please call the principal. Your opinions are always welcome.

STUDY HALL

1. Permission to talk or work together must be obtained from the teacher.
2. If a student has a pass to work in another teacher's class instead of the study hall, the pass must be presented to the study hall teacher at the beginning of the period. This pass should be obtained before you go to the study hall.
3. Books and other materials needed for study are to be taken there at the beginning of the period. Each student is assigned a regular seat. Anyone not in his assigned place when the bell rings will be reported as tardy.
4. Students are to have all study material with them when they arrive.
5. Students will be allowed to use the library during study hall time. Any student who is on the ineligibility list will not be allowed in the library unless he/she has a pass from the teacher.

ATTENDANCE

You are expected to be present and punctual for all your classes throughout the year. When illness or family obligations necessitate your absence, this should be explained by a phone call or note from your parents, brought to the office when you return to class.
(See ABSENCE/ATTENDANCE POLICY)

STEPS TO FOLLOW WHEN ABSENT

1. Have parent/guardian phone the school and inform the office of your absence and reason for the absence by 9:00 a.m. on the day of the absence.
2. Have parent/guardian write an excuse giving your name, date, days of absence, reason for the absence, and their signature.
3. Present your excuse to the office.
4. Ask all teachers for make-up work. Work not made up will be reflected on your grade.
5. If absence is due to work or travel, parent/guardian should notify the school prior to the absence if possible. Students should obtain a make-up slip from the office in advance.

In cases of illness, students should have two days' time for the first day gone and one day for each day thereafter to make up their work. Extended absences due to illness and other extenuating circumstances will be dealt with on an individual basis.

Students who become ill during the day are to report to the office and attempts will be made to contact your parents. No one is to leave the school during the school day without permission from the office.

TARDINESS TO CLASS

Those students who are not in their rooms when the period tardy bell rings (other than first period) are to obtain permits from their previous teacher if that teacher detained him. If the student has no

valid excuse the teacher they report to will be responsible for notifying the office of the tardy. After school detention will result after 3 tardies.

ACTIVITY FEE WAIVER ELIGIBILITY

Students whose families met the income guidelines for free or reduced price lunch, the Family Investment Program (FIP), Supplemental Security Income (SSI), transportation assistance under open enrollment, or who are in foster care, are eligible to have their student fees waived or partially waived. Students whose families are experiencing a temporary financial difficulty may be eligible for a temporary waiver of student fees. Parents of students who believe they may qualify for temporary financial hardship should contact the building principal during registration time, or at the building office throughout the school year, for a waiver form. The waiver application is good for one (1) year, and the parent(s)/guardian(s) **must reapply annually**.

ACTIVITY TICKETS

Middle School students may purchase activity tickets which will admit you to most high school events during the year. Purchase of an activity ticket will save you money over the price of individual tickets for most of the home events.

ASSEMBLIES

At all times the student's behavior should be refined and courteous. An indication of the cultural level of the school is the conduct of its student body at an assembly. Whether requests are present or not, each student is personally responsible for the impression made by the school as a whole. Unacceptable conduct would include whistling, uncalled-for-clapping, boisterousness, and talking during a program.

MIXER RULES

FIRE AND TORNADO DRILLS

Fire drills and tornado drills at regular intervals, are required by law, and are an important safety precaution. It is essential that when the first signal is given, everyone obeys orders promptly and clears the building by the prescribed route as quickly as possible. The teacher in each classroom will give the students instructions.

Students will also participate in lockdown and evacuation drills during the school year.

EMERGENCY DISASTER PLAN AND PROCEDURES

- A. The staff will be notified of hearing impaired/special needs students. They will then be responsible for giving a proper visual warning when these students are under their instruction. Staff will be inserviced at the beginning of each school year and after each auditory check as to which students are impaired and the warning procedure. A proper warning includes a direct touch and assistance in leaving the building.
- B. The building is equipped with alarm-activated fire doors which automatically close when fire alarm is sounded. Staff are responsible for closing all windows and doors before leaving their rooms. The first person to the door is responsible to hold the door open until all have left.

SchoolReach and SNOWCAP

In our effort to improve communication between parents and school, the Central Lyon Community School District is implementing a *telephone* broadcast system that will enable school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. This service is provided by SchoolReach, a company specializing in school-to-parent communications. Central Lyon will continue to report school closings due to snow or weather on KQAD 101.1 FM/800 AM, KIWA 105.3 FM/1550 AM and KELO TV channel 11 and will use this system as an overlay to the public announcements.

When used, the service will call **the first two phone numbers** in our selected parent contact lists and will deliver a recorded message from a school administrator. The selected parent contact list is the phone numbers given to the school at the time of registration. The service will deliver the message to both live answer and answering machines. No answers (phones ringing over 40 sec.) and busies will be automatically retried twice in fifteen minute intervals after the initial call. If you notice missed calls from the following phone number, 712-472-2664, and the weather looks questionable, do not call the school, please monitor the TV and radio stations or the Central Lyon website at www.centrallyon.org for any announcements.

SchoolReach will be used for emergency or unplanned events which cause early dismissal, school cancellation or late starts only. For other communications, such as activity events changes, postponements or cancellations, Central Lyon will continue to use SNOWCAP. If you subscribe to SNOWCAP, this service will send a *text message or e-mail informing* registrants of any cancellation, late start, or early out also. To take advantage of this service, register your e-mail or cell phone number at the website www.snowcaponline.net **NOTE: Many radio and TV stations not on our inclement weather list have subscribed to receive the Central Lyon snowcap messages and have chosen to announce the Central Lyon information when they receive it. If the snowcap computer system is not working, Central Lyon will contact the only the TV and Radio stations listed above.**

JMC ONLINE GRADEBOOK PROGRAM

The parent access module allows parents with students in grades 3-8 to check student's attendance, lunch accounts, report cards and current scores in the online gradebook.

The module allows the teacher to post assignments for parents to view and will allow parents to check their parent information, as in telephone number, address, etc. and give online notification to the office of needed changes.

A form is available in the office to fill out, which will give the office a record of the password you would like to use.

- Select password carefully.
- It should be private enough to be secure.
- It needs to be at least 4 digits and may be letters, numbers, or combination of the two.

HOMEWORK

Homework is a necessary part of each pupil's educational program. Each student must be expected to spend some time in addition to scheduled class instruction to achieve satisfactory work. Some assignments are long range in nature and require planned study time for their completion. Planned study eliminates the necessity of spending too much time in completing the assignment before it is due.

LATE/INCOMPLETE WORK

Completing work on time is essential to be successful in the middle school. Students who have incomplete/late work will be expected to stay after school to complete their work. Finishing incomplete/late work takes priority over practices, games, etc. Students will also be asked to remain in study hall during band/chorus time to complete their work. Parents will be notified when their child has to remain after school to complete work. If incomplete/late work becomes a persistent problem the principal will set up a meeting with the parents to discuss what other options are available.

FIELD TRIPS

Field trips are planned to provide additional educational experiences for your child. Generally, these trips are an extension of a classroom experience and have educational value relevant to material being studied in the classroom. A permission form will be provided during school registration. You will always receive advance notice of up-coming field trips, and occasionally, you may be asked to accompany the children and assist in supervision. Field trips will be within a 100-mile radius of Rock Rapids.

SCHOOL SPONSORED TRIPS

Students participating in school activities away from home must utilize the transportation provided by the school. On trips a student may be transported by his/her parents **only** and **only** with **special prior** permission from the Principal.

GUM AND CANDY

Gum and Candy are not allowed in school unless permission has been obtained from the classroom teacher.

FLOWERS

The Elementary/Middle School Staff would like to remind parents not to send flowers to school for students for birthdays, Valentine's Day, and so on. Please have the flowers sent to your home so your child can enjoy them with you.

MEDICATION

If it becomes necessary for a student to take any form of prescription medication at school, a signed form from a parent must be on file in the office. All prescription medication will be kept in and dispensed through the office.

PRESCRIPTION MEDICATION ADMINISTRATION

The following information must be given by the parent or guardian when prescription medicine is administered by the school personnel:

1. Student's name
2. Physician's name (include medication side effects)
3. Name of medication
4. Dosage and time of administration
5. Signature of parent/guardian and date

Prescription medication must be brought to school in a container appropriately labeled by the pharmacy. The request of a parent may be oral or in writing. An oral request must be reduced to writing within two school days. Medication given at Central Lyon will be administered by authorized personnel. The school will designate a specific locked and limited access storage space within the school to store medication.

NON-PRESCRIPTION MEDICATION

The school will administer over-the-counter medication such as aspirin or Tylenol with parent/guardian authorization oral/written.

PHYSICAL EDUCATION

Physical education is required unless excused by written request of the family physician.

PERSONAL PROPERTY

Security of personal property is the individual responsibility of each student. The school cannot and will not accept responsibility for the valuables of the students. Should you have any special item of value you are particularly worried about, it can be checked in the office for the day. Generally speaking, items of sizable value should not be brought to school.

LOCKERS

Student lockers are provided to be used solely for storage of outer garments and school materials. The locker is NOT the student's private property and may be opened by school authorities at any time. Any unauthorized items found in the locker may be removed.

Students who damage their lockers or lose or damage their locks will be held accountable. If you decide to use a lock, do not tell your combination to anyone. The school will not be responsible for things stolen or missing from your locker. Locks will be given out at the request of the student.

SEARCH AND SEIZURE

All school property is held in public trust by the Board of Education. School authorities may, without a search warrant, search a student, student lockers, desks, work areas, or student automobiles under the circumstances as outlined in the following regulations to maintain order and discipline in the schools, promote the educational environment, and protect the safety and welfare of students and school personnel. School authorities may seize any illegal unauthorized or contraband materials discovered in the search. It is recognized that such illegal, unauthorized or contraband materials generally cause substantial disruption in the school environment or present a threat to the health and safety of students, employees, or visitors on the school premises. Items of

contraband may include, but are not limited to, non-prescription controlled substance, such as marijuana, cocaine, amphetamines, barbiturates, apparatus used for the administration of controlled substances, alcoholic beverages, tobacco, weapons, explosives, poisons, and stolen property. All non-maintenance searches must be based on a reasonable suspicion and be reasonable in scope.

As part of periodic inspections of lockers and parking lot, school officials may arrange to have trained drug-sniffing dogs brought in. Students will be advised at the beginning of the school year, however students will not be advised immediately prior to, nor can they be present for the inspection. However, if contraband is found in a locker or vehicle, the student will be contacted as soon as the drug dog has left the building/premises (school property).

SCHOOL SPIRIT

School spirit may be divided into three categories: COURTESY - Toward teachers, fellow students, and the official of school athletic activities. PRIDE - In everything our school endeavors to accomplish and has accomplished. SPORTSMANSHIP - The ability to win and lose gracefully. School spirit means loyalty to all functions of the school.

STUDENT COUNCIL

Your Student Council provides for student activities, serves as a training experience for both leaders and followers, promotes the common good, gives students a share in the management of the school, develops high ideals of personal conduct, acts as a clearing house for student activities, seeks to interest students in school affairs and helps solve problems that may arise. Members of the Council are your representatives and have direct access to the school administration. Each pride group will elect one boy and one girl representative to the Student Council.

STUDENT GRIEVANCE POLICY

Students have the right and the responsibility to express school related concerns and grievances to the administration. Any student of Central Lyon Schools who believes they have been discriminated against, denied a benefit or excluded from participation, may file a complaint with Level 1 and follow the steps as described in the Student Grievance Policy.

Student Grievance Policy will be handled in four steps. Written forms can be obtained from Level 1 upon request from the grieved student.

Do not use the school phone without permission from the office. Messages and deliveries from home should be left in the office. Students will be called out of class only in an emergency. All long distance calls to your home must be made collect.

ELECTRONIC DEVICES

- ❖ Second offense: Device will be taken for the remainder of the day. Parents will be notified and will have to come to the school to pick up the device.

- ❖ Third offense: The student will not be allowed to have the device in school without Mr. Kruse's knowledge. When the device is allowed, it will remain in the office during the school day.

TESTING

To be able to properly meet your child's academic needs, it's necessary to know their present level of achievement.

In the fall of the year, the Iowa Tests of Basic Skills are given to 2, 3, 4, 5, 6, 7, and 8 grade students to help us gain an idea of their present achievement level. These provide us with an idea of how much your child has learned compared to students approximately their age across the state.

Parents/Guardians will receive detailed reports of the Iowa Tests of Basic Skills with the student's report card after the results are back. Parents/Guardians may come in to discuss results of the other testing done by calling the school for an appointment.

ATTENDANCE / ACTIVITIES

Central Lyon requires that participants in the Middle School activities be present in school one-half day (1/2) immediately preceding the staging of playing of events in which they participate.

ACADEMIC ELIGIBILITY CODE

In order to provide for a student to participate in co-curricular activities at the Central Lyon Middle School all students must meet the following academic requirements:

Eligibility requirements: to enable a student to participate in extra-curricular activities, a student cannot have a failing grade in any academic course. All requirements stated in the IEP's will be followed for students in the Special Education program.

Mid-term failure: 2 weeks ineligibility period

Final Quarter failure: 2 weeks ineligibility period

The ineligibility period is calculated by student school days (student days do not include vacation days).

1. Students are allowed to resume practice during the ineligibility period but not participate in game performances.

Inappropriate language will not be tolerated at school. If it occurs, the following will take place:

- A. Inappropriate language will result in after **School Detention**.
- B. Demeaning language inappropriate to the school environment will result in **suspension from school**.

CENTRAL LYON MIDDLE SCHOOL PRIDE RESPONSIBILITY PROGRAM

The PRIDE program has been developed at the Middle School so that each student can gain a measure of organization, responsibility, and self discipline. All students' progress will be monitored weekly. The faculty believes that the guidelines developed for the student to meet the minimum requirements for the program represent generally accepted baseline performance guidelines for behavior and academics.

Goals:

The PRIDE program will:

1. Provide a positive reinforcement for performance.
2. Help students develop accountability and responsibility for their own learning and behavior.

During the first week of school, each student will be given a detailed explanation of the program and what is expected of the student. Students will share this information with parents/guardians. Incentives for successfully achieving the goals will be explained.

Posted in each participating classroom will be a list of the baseline behavior objectives we believe each student can achieve (below). Faculty will meet weekly to monitor student progress and discuss problem areas. Students who have fallen behind the stated goals will be counseled so they can make the necessary adjustments in their performance.

The maximum amount of checks a student may get per quarter is 40. Any student with more than 40 checks will not be allowed to participate in the pride activity. He/she will remain in school in a supervised study hall.

Each quarter will be considered separately. That is each student will be given a clean slate at a new quarter and allowed to achieve the goals. At the end of the quarter a special activity will be planned for the students who are successful in achieving the goals.

All students will have an "assignment book" which they will receive the first day of school. They will be expected to carry this with them to all classes, write down daily assignments, and maintain the condition of the book. If a student loses the book, they should notify a faculty member immediately. If not found, the book can be replaced at the student's expense.

Objectives:

We believe the Responsibility program will:

1. Assist students toward becoming responsible for their own learning and behavior.
2. Assist in developing organizational and study skills.
3. Provide a group where socialization can occur.
4. Provide the students with an adult who can provide support outside of and beyond the academic routine.
5. Provide a model for monitoring student academic and behavior goals.
6. Provide the opportunity for a student to become an effective group member.
7. Build citizenship and leadership.
8. Build self esteem by achieving stated goals.

In the classroom you may get checks for:

- ✓ Incomplete, not done, or poorly done assignments – including (AR) Accelerated Reader at Mid Term
- ✓ Disrupting the classroom and the learning of others
- ✓ Using bad language, name calling, or harassing behavior
- ✓ Physical abuse of anyone by hitting, kicking, shoving, etc.
- ✓ Disrespectful behavior toward anyone
- ✓ Not having your normal classroom materials with you-Textbook, Notebook, Pen, or Pencil
- ✓ Improper care or use of materials and classroom equipment
- ✓ Chewing gum and candy – 5 checks
- ✓ Not having assignment book and keeping it up to date
- ✓ You will receive double checks if you get them from a substitute teacher
- ✓ Tardy between classes

The School will:

- Inform parents by letter at the third and sixth week of each quarter regarding students in jeopardy on not making the quarterly responsibility activity.
- The grade level team members will contact the parents by telephone or e-mail any time after the sixth week of the quarter to inform parents their child would be unable to participate in the activity because they are close to the maximum number of points for the quarter. **(Note the staff will do everything in good faith to inform parents of their student’s progress in adequate time by the end of the quarter. Please, realize situations may arise at the end of the activity period where a student can lose an excessive amount of points if they chose not to follow the rules.)**

CENTRAL LYON MIDDLE SCHOOL RESPONSIBILITY PROGRAM

- A. Responsibility
- B. Classroom Behavior

A. Responsibility Detention:

The Middle School Responsibility Intervention Program:

The purpose of the Responsibility detention program is to communicate to students and parents the importance of good behavior and citizenship in the classroom, which is essential for the education of all students.

Teachers in each classroom have a set of rules for students’ behavior. If a student violates the rules, the following will occur and a written report will be kept:

- 1st Incident – After-school detention. The principal will visit with the student and send a letter to parents.
- 2nd Incident – After-school detention. The principal will visit with the student and send a letter to parents.
- 3rd Incident – After-school detention. The principal will visit with the student and send a letter to parents.
- 4th Incident – 1 hour detention after school
- 5th Incident – 2 hours detention – one hour each day after school
- 6th Incident (or more) – 3 hours detention – one hour each day after school

RULES FOR RESPONSIBILITY DETENTION:

Students will report to the library or teacher's classroom at the assigned time with all necessary books, pencils, and paper.

Students will be expected to remain seated unless they have permission from the teacher to get up.

Students will be expected to stay on task and not talk unless the teacher gives permission.

Students who fail to report to Responsibility Detention as assigned, will have their Responsibility detention hours doubled.

Students are expected to cooperate at all times. Non-cooperation will result in dismissal from Responsibility Detention. Due to the uncooperative behavior the student's Responsibility Detention hours will be doubled. A meeting will be scheduled with the principal during the following week to set up Responsibility Detention dates.

Students will be expected to report to Responsibility Detention for assigned hours. If the student does not report, the student will serve a one-day in-school suspension or out of school suspension. The student must then meet with the principal to reschedule the Responsibility detention school hour(s) missed as assigned.

B. CLASSROOM BEHAVIOR

Good Behavior and citizenship in the classroom is essential for the education of all students.

Teachers have within each classroom a set of rules for students' behavior.

- A. If a student does not follow the rules, the following will occur:
 1. A discussion of the behaviors that caused the problems in the classroom will take place. The teacher will write a summary regarding the incident and send it to the principal's office.
 2. There will be a meeting with principal, student, and teacher to enable the student to re-enter the classroom.
 3. A letter will be sent to the parents/guardian concerning the student's removal from class.
- B. The second time the student is removed from class, the parents/guardians have two options:
 1. The parents/guardians may attend school with their child for the classes where the child is non-cooperative.
 2. The student may be suspended for one day. The parents/guardians must also accompany the student back to school the next school day, meeting with the principal to develop a plan for the student to follow the school rules.

CENTRAL LYON RESPONSIBILITY COMMITTEE:

Sue VanWyhe and Bruce Eckenrod

ABSENCE/ATTENDANCE POLICY

In order for the Central Lyon Elementary/Middle School staff to do the best possible job of educating the students entrusted to them, the students must be in regular attendance. A successful educational program requires the cooperation of the parents, the student, and the school staff at all points in the process. One of the most vital points is that of student attendance. We cannot teach a student who is not present. The following policy has been developed to encourage good attendance.

1. Names of parents/guardians whose students violate the Compulsory Attendance Policy will be turned over to the County Attorney for prosecution.

299.19 Proceeding Against Parent

Upon the failure of any person having the custody and control of such child to require their attendance as provided in Section 299.1, the state Board of Regents may make application to the District Court or the Juvenile Court of the county in which such person resides for an order requiring such person to compel the attendance of such child at the proper state institution.

Policy Title **Student Absences – Excused** Code No. 501.9

Regular attendance by students is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center.

Student absences approved by the principal shall be excused absences. Excused absences shall count as days in attendance for purposed of the truancy law. These absences include, but are not limited to, illness, family emergencies, recognized religious observances and school sponsored or approved activities.

Students who wish to participate in school-sponsored activities must attend school at least one-half (1/2) day of the staging or playing of the activity unless permissions has been given by the principal for the students to be absent.

It shall be the responsibility of the parent to notify the student's attendance center as soon as the parent knows the student will not be attending school on that day. The principal may request evidence or written verification of the student's reason for absence.

It shall be the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.

Policy Title **Compulsory Attendance** Code No. 501.3

Persons within the school district who have control over age six (6) and under sixteen (16) by September 15, in proper physical and mental condition to attend school, shall have the children attend the school district at the attendance center designated by the board. Students shall attend school the number of days of school is in session in accordance with the school calendar. Exceptions to this policy include children who:

- have completed the requirements for graduation in an accredited school or have obtained a high school equivalency diploma;

Students who are absent without permission are considered truant. To be truant means the student willfully failed to attend school regularly even though the student is required to attend. Truant students will be reported to the appropriate authorities.

The school will participate in mediation if requested by the county attorney. The superintendent shall represent the school district in mediation. The school district will monitor the student's compliance with the mediation agreement and report violations of the mediation agreement to the county attorney.

ADDITIONAL GUIDELINES

An absence count will start only upon a student's first registered day in a class (within the first five (5) days of class).

Absences will be classified as excused and unexcused. Only unexcused absences will count in the eight day limit. Absence from school for bereavement and illness verified by written doctor's statement will be considered excused. All other absences will be unexcused.

Absences which are due solely to hospitalization or long term illness parents/guardians will need to immediately provide the school with a written doctor's excuse which lists the specific dates in question.

When students miss school, it is still imperative that their make-up work be completed in a satisfactory manner. If excessive absences cause a student to fall behind and not get work completed, a meeting with the parents, student and school staff will be held to remedy the situation. If absences cause the student to fail a course, the school may ask the student to repeat the course or the grade level. If the parents do not agree to this, a letter will be placed in the student's file that documents this request.

Class absence as a result of approved school activities, will not count as an unexcused absence. Unless otherwise indicated, students who miss class due to requests from administrators and counselors fall within the approved school activities category. Administrators and counselors will do their best to call students from classes only when other opportunities are not available.
