

November Newsletter

Greetings from the elementary/middle office. It is definitely starting to feel like November weather. Hopefully there are still a few warm days coming.

We start the first week of November with Iowa Assessments. These used to be called the Iowa Tests of Basic Skills. Grades 2nd through 8th grade take these. Please encourage your child to do their best.

I also want to remind everyone of the school calendar change. There will be school on the November 10th, with a 1:00 dismissal for staff development.

November will be a busy month as we transition from the fall activities to the winter activities. Keep those school calendars handy. Below is a partial list of the November events.

Until next time,

Dan Kruse
