Mission Statement

The mission of the Central Lyon School Foundation, Inc. is to enhance quality education through educational opportunities, school facilities, technology, and service.

The Central Lyon School Foundation, Inc. is a private, non-profit organization that supports excellence in both academic and co-curricular activities. The foundation is directed by a Board of Trustees.

The purpose of the Central Lyon School Foundation, Inc. is to provide funds for academic programs, encourage post secondary education through scholarships, and to develop and extend the facilities, services, and resources of the Central Lyon School District.

The Central Lyon School District has a history of providing quality education for its students and will continue to strive to provide the educational programs that will help students achieve their maximum potential.

Dollars for Scholars

The Dollars for Scholars Chapter has been administered by the Foundation Board since the spring of 2004. Many post-secondary institutions agree not to reduce the institution aid to students receiving sponsored awards through a Dollars for Scholars Chapter. Also, many schools agree to match the sponsored award if given through a Dollars for Scholars Chapter. If a contribution is made to the Foundation for scholarships, said scholarships are distributed according to the wishes of the contributor.

Gifts are tax deductible. The Foundation will manage the funds and ensure that they are used as intended. Consider giving through Memorials, Living Trusts, or Class Reunions. Your gift is your investment in a planned tomorrow.
