

REQUIREMENTS for students grades K-9

Proof of dental exam (see enclosed form)-grades Kindergarten & 9

DTP: at least five vaccinations

The last one must be after your child's 4th birthday

Tdap-grades 7-10

Polio: at least four vaccinations

The last one must be after your child's 4th birthday

MMR: two vaccinations

Hepatitis B: three vaccinations

Varicella: two vaccinations required IF your child has not had the chicken pox. If your child has had the chicken pox, we would like to know month and date.

You may call Health Services of Lyon County at 472-8200 if you have any questions or wish to schedule shots. If we find that your child is missing something on his/her record, you will receive a letter after the school year begins. Thanks for your help in this matter.

Mel De Jong, RN
Lyon County School Nurse
