

Central Lyon School

Summer Band Program 2017

Dear Parents/Guardians,

We are again offering summer band lessons this year. We feel that summer lessons are a vital part of our instrumental program at Central Lyon. Therefore, we are offering four weeks of individual lessons. Each student will be scheduled for 4 lessons, once each week, beginning May 31st and finishing June 27th. Each lesson will last between 25 and 30 minutes. Lessons will be given on **Tuesdays, Wednesdays, and Thursdays** usually during 8am-4pm, and will take place in the ***high school band room***. The schedule will be made during the last week of school, and the students will know the day and time of their lesson before the end of the school year. If specific times are requested, sign-up for lessons is based on the order, slips are returned.

During the school year, most students are scheduled for a short lesson, once each week. Some students take lessons with other students and this makes it hard to work on individual problems that may arise. The summer program enables us to meet with the students one-on-one to work on their own individual needs. This individual work helps the student progress in their musical capabilities. We have found that the students usually have more time to practice during the summer months. Summer lessons help make the transition from 5th grade band to 6th grade band, and 6th grade to 7-8 band much easier. Additionally, summer lessons help new band students learn the basics on their instrument, making that first year of 5th grade band much easier!

The cost of this program is \$32.00. If the cost is a problem sign up anyway as some assistance has been made available from our Music Boosters. This assistance is limited and will be given according to need. Consideration will be given to families that have more than one student enrolled in the summer program. Please make your check payable to **Central Lyon** and give it, along with the completed form below to Mr. Langholdt or Mrs. Deutsch. *If you need to be on a certain day of the week, or at a certain time, make sure that you put that information on the form so we can schedule accordingly. Please don't just tell us to schedule around softball or baseball, etc., because we don't know the practice and game schedules.* If you tell us days and times, we'll do our best to accommodate you. Thank you!
