

What are Bonus Points? How do I get them?

Bonus points are earned when you go above and beyond! Being a good basketball player should be something you push **YOURSELF** to be! Your coaches, teammates, parents, etc can't want it more than you do! Here are some ways that you can earn some bonus points.

Attend Central Lyon's Basketball Camp (3 days)	10 points
Participate in open gyms organized by Coach Grafing	1 point per day
Attend any other basketball camp (Northwestern, Warwick, etc)	2 points per day
Playing Pick-Up (not organized by Coach Grafing)	1 points per 30 minutes
AAU	1 point per tournament day

Activity	Description	Points Awarded
Central Lyon's Fundamental Basketball Camp	This camp is here at Central Lyon and is run by the girls' basketball coaching staff and current players. This is a 3 day camp and runs for 1 ½ hours each day. This camp is \$45, which includes a camp tshirt.	10 points
Open Gyms	There are going to be open gym opportunities on Monday mornings for those students 5-12 who want to participate.	1 point per day
Attend any other basketball camp	If you attend any basketball camp this summer, you can receive 2 points for each day you attend. For example, if you attend the Northwestern Basketball camp, which is 4 days, you can receive 8 points. If you are doing something like Warwick Workouts or Mr. Gerleman's workouts, you can receive 1 point per day as well.	1 point per day
Playing Pick-Up	Grab a basketball, find a court, grab some friends, and have some fun! If you and some friends get together to play some pick-up basketball, take a selfie with everybody participating and you will get 1 points for every 30 minutes of time spent playing (not time spent talking! ☺). Take that picture and either you or a parent can upload it the Central Lyon Girls' Basketball Facebook page or text it to Coach Grafing! If you play for an hour, it's worth 4 points. There are some courts here at the school playground, old school park, and/or maybe your front driveway!	1 point per 30 minutes
AAU	If you are on an AAU team this summer, you can receive 1 point for each day of a tournament. For example, if you play in a 2 day weekend tournament, you would receive 2 points. Practices do not count toward bonus points.	1 point per day
