

# **“NOTE”WORTHY**

This year, to celebrate Music In Our Schools Month, we are recognizing our young musicians with words of encouragement! Use this NOTE to write a positive message to your musician or one of the bands about tonight’s concert, or about their involvement in band. Feel free to use more than one sheet. They will be cut out and displayed at school! (please stay within the lines) Also, please address the flag of your note to the student or band you are writing about. (ex. Jane Doe or 5th Grade Band)
