On Tuesday, August 12, 2003, voters in Lyon County will cast ballots on the question of imposing a 1% Local Option Sales and Services Tax (LOSST) for the three school districts in Lyon County. Iowa law requires that the tax proceeds shall be utilized solely for school infrastructure needs and/or property tax relief for debt service.

It is the intent of the Central Lyon School District to use all of the proceeds derived from the LOSST to retire the debt of previous bond issues, thereby reducing property taxes. A simple majority (50% +1) of all those voting in the county is required to approve the question. All Lyon County votes will be counted together. The three school districts will receive their share of the revenue based on the number of students in the county,

whether or not an individual school district approved the issue.

If the sales tax measure is approved, the dollars would be collected by Lyon County businesses when sales and services are completed. The businesses would collect one penny for every dollar spent in the county except for exempt items. Each local school district then would receive sales tax revenue based upon the school district's certified enrollment of Lyon County students. If the Iowa Values Fund recently enacted by the legislature becomes law, state dollars will supplement local dollars up to a one-to-one match. Over forty counties in the State of Iowa have approved the Local Sales and Services Tax for the purpose of funding school infrastructure and/or property tax relief.

## Title I Summer Session

By Laureen Schram, Title I Teacher

For the past four summers Title I students in kindergarten through second grade have participated in the Title I summer session. The summer session met on Tuesday and Thursday mornings from June 17 to July 17, 2003.

Students attending the summer session throughout the five weeks worked to improve their reading skills. Staff used reading strategies in the form of manipulatives, learning activities and computer software to enhance and develop the students ongoing reading fluency and comprehension.

This year's staff included Lila Kennedy, Stephanie Baker, Vicki Slack and Laureen Schram. These staff members have organized and taught the Title I summer session for the past four years.

## **Positive Peer Pressure**

By Mel DeJong, School Nurse

We have had several students during this past school year influencing their fellow classmates in a positive way.

The TATU (teens against tobacco use) group went through a day of training to learn about the effects of tobacco. They then gave anti-tobacco presentations to the third, fourth, and fifth grade classes and had a display at the county fair. The Central Lyon students shared the TATU fair

booth with other county schools and were in charge of it on Monday, July 21. It's good to see our future leaders taking responsibility and educating others. TATU students include Diana Steven, Karli McDonald, Jessa Menning, Amy Tuege, Julie Popkes, Sara Christians, Jen Roeman, Alissa VerSteeg, Jessica Roozeboom, Ashley Lemon, Anthony Folkens, Elizabeth Sayavong, Jackie Jenkins and Alicia Wright.

Speaking of setting a good example, there were several high school students who took part in the May term class "No Apologies." This is an abstinence-based curriculum that was presented to all freshman and a few sophomores. Students involved in teaching the curriculum were Lindsey Adams, Heather DeBey, Melissa Mammenga, and Rachel Unekis.

## Making the first day easier

- Remind your children that they are not the only students who are a bit uneasy about the first day of school.
- Point out the positive aspects of starting school: It will be fun. They'll see old friends and meet new friends.
- Give your children some strategies for coping with bullies. They should not give in to a bully's demands, but should simply walk away or tell the bully to stop.
- Find other children in the neighborhood with whom your youngsters can walk to school or ride with on the bus.
- If you feel it is appropriate, drive your children (or walk with them) to school and pick them up on the first day.
- Plan in advance for school supplies and involve your children with purchasing, labeling, and organizing them.
- Get a good night's rest and encourage eating a good breakfast. Choose and lay out school clothes the night before.
