Mr Jorth and School Board members:

Attached are 3 bids for a convection Steamer that I would like to purchase for the CL foodservice. This piece of equipment is pretty much a staple in most schools. It allows us to cook a lot of pre cooked items and virtually all vegetables for a shorter time and with much better quality. I have checked with some of the neighboring schools and they all use this piece of equipment in their daily operations. Most of the other directors, as well as the sales people in each of the companies I got quotes from, recommend this brand and size for our size operation.

I received a price from 3 companies for the Accutemp Electric boilerless Steamer. Although Rapid Wholesale out of Marion, IA was the lowest bid, we (myself and Steve Breske) prefer using JESS equipment out of Sheldon, IA. They provide service after the sale, will come and install, and will provide any technical assistance with anything we buy. They offer helpful advice often in other equipment issues we have. They were the middle bidder and were \$1156 higher than the Rapid Wholesale quote.

We would like to get this ordered as soon as possible so that if there are delays or supply chain issues, we still have plenty of time to get it installed and fully operational.

Thank you

A handwritten signature in blue ink, appearing to read 'Darsha Tuenge', with a long, sweeping flourish extending from the end of the name.

Darsha Tuenge,

CL Food Service Director

EVOLUTION™
 BOILER FREE STEAMER

E6 DBL CONNECTED EVOLUTION™ 2 Double Stacked, Stand-Mounted 6 Pan, Electric Boilerless Convection Steamers

Project: _____ Location: _____ Item #: _____ Quantity: _____

Standard Features

- Fast cook times with patent-pending Steam Vector Technology, which utilizes no moving parts
- Cook mode and Variable Hold Temperature mode
- Easy-to-use digital controls, with digital temperature display
- Independent digital electronic timer with programmable preset
- Simple water and drain connections
- No water filtration or treatment required
- No warranty exclusions for water quality
- Uses less than 1.5 gallons of water per hour
- Front-mounted drain valve
- No scheduled de-liming or maintenance
- Door can be opened at any time during cooking cycle
- Cast aluminum heating element is not exposed to water
- Multiple kW heat inputs available for all cooking needs
- Steamer cavity constructed of reinforced 14 ga. 304 stainless steel
- Easy-to-clean control panel
- Automatic altitude compensation
- Dishwasher-safe one-piece wire pan racks
- Dishwasher-safe SVT steam collector and distributor panels
- Dishwasher-safe front-mounted condensate tray
- English and Spanish operating instructions on door
- Simplified service access panel
- Low water, high water and overtemp indicator lights
- (2) 5' power cords and plugs included, separate receptacle needed for each unit
- One year parts and labor warranty
- Lifetime Service & Support Guarantee
- UL LISTED Safety Certification (UL 197)
- UL EPH Sanitation Certification (NSF 4)

Optional Features

- Bullet Feet
- Stainless steel, ergo-low support stand available with casters, bullet feet or flanged feet

Safety, Sanitation & Environmental

- EPA 202 Evaluated / NFPA 96 4.1.1.2 Compliant

Short Spec

Evolution steamer is AccuTemp Products' connected, boilerless steam cooker that utilizes AccuTemp's Patent Pending Steam Vector Technology for faster cook times, improved energy efficiency, better pan to pan uniformity, and less water consumption. Steam Vector Technology requires no moving parts inside the cooking chamber. Steam to be produced inside the cooking cavity with no heating element exposed to water. Easily connects to water and drain line. Uses less than 1.5 gallons of water per hour. Unit to include low water, high water, overtemp warning lights and auto shut off feature. Evolution to include heavy duty, field reversible door. Standard digital controls with independent timer. No water quality exclusions to warranty and no water filtration or treatment required. Unit to be UL Safety and Sanitation Certified, and Energy Star qualified. Built in USA. Steamers to be mounted on a stainless steel stand.

E6 Evolution™ double stacked unit

Tax: Unless otherwise indicated, sales prices do not include, and Purchaser is responsible for and agrees to pay (unless Purchaser shall provide Seller at the time an order is submitted with exemption certificate or other documents acceptable to taxing or custom authorities), all sales, use, value added, excise and all other federal, state or local or foreign taxes, import or customs fees and duties associated with an order, however designated, except for Seller's franchise taxes and taxes on Seller's net income. If applicable, a separate charge for taxes will be shown on Seller's invoice. Some taxes may not be known at the time of quotation. These taxes will be added to the final contract amount and Purchaser agrees to pay all such taxes.

Freight: Freight charges unless otherwise noted includes only delivery to dock or curbside, all unloading, set in place and leveling by customer. Lift gate delivery is available at an additional charge.

Inspection of Freight: To protect your investment, the bill of lading must only be signed after the merchandise is inspected. If this step is not taken and damage has occurred, there is no recourse with the freight company for resolution or reimbursement.

Prices: Prices are good for 30 days unless otherwise stated

Returns: No returns will be accepted without prior written authorization of the Seller. Returns are subject to a minimum 30% restocking charge. Purchaser shall be responsible for the cost of freight to return products. Notwithstanding the foregoing, no returns are permitted with respect to custom design and fabricated equipment and furniture.

Specific Exclusions: Unless otherwise stated the pricing on this contract is for equipment only and does not include freight, tax, delivery or set in place. In addition all electrical, mechanical, HVAC, plumbing materials and labor, and the fees permits and licenses associated with such work are excluded unless otherwise indicated. This exclusion includes but is not limited to the following: 1. Plumbing, gas piping, refrigeration drainline installation, hanging of hand sinks, all faucet and garbage disposal installation and setup, 2. Caulking of sinks, tables and other items, 3. Plumbing, electrical and other final connections, 4. Ductwork and all penetrations within building, and all balancing of exhaust hoods and makeup air, 5. Walkin cooler/freezer piping and penetrations, hanging of evaporator coils, condenser and compressor placement, defrost timer connection and all necessary heat tape, 6. Floor tile, grout, concrete, grout leveling, and concrete leveling. 7. Concrete curbs, concrete filler, and/or sand filler. 8. Supports/blocking for FS equipment. 9. Insulation, vapor barrier, and wear slabs at the freezers and coolers.

Terms & Conditions: Our standard terms require 100% payment in advance of merchandise shipping. If buyer chooses to use a credit card for payment 4% will be added to the sell price of the contract. Terms other than this will require credit applications and trade references, which may take up to 3 weeks to complete. Final contract will require signature and completion of our standard contract form which includes all terms and conditions as stated on the face page of the Seller's Conditional Sales Contract or AIA Contract documentation as appropriate.

Dear Superintendent Jorth,

Please accept this letter of resignation from my position as food service staff at the end of The 2022 school year as I am retiring.

I am grateful to have been an employee of Central Lyon for the past 22 years. I have met and worked with a lot of great people. I will always cherish the smiles and memories I shared with the kids over the years.

Thank you for allowing me to be a part of a great school. Central Lyon will always have a special place in my heart.

I hope to stay in touch in the future and wish the CL Lunch Program continued success going forward.

Sincerely,

Rochelle DeBoer

Rochelle DeBoer

Mr. Jorth

I'm writing to notify you that I will be resigning from my position as food service effective May 27, 2022

I appreciate the opportunity and have enjoyed working for Central Lyon food service over the last 4 years. The individuals I worked with in the lunch room were a lot of fun - the true enjoyment was to see all the students, teachers and staff and the smiles each day

Sincerely
Laura Schar

4-28-22

I will be available to sub for next year (22-23), but am not going to work as a regular dietary personal.
Thanks. ✓

Bonnie Nail

4-21-2022

I'm giving up my full time
job in the lunch room at
the end of the school year
but will come back as a
sub for 2022-2023 school year.

Rock Rapids, IA 51246

Dear Mr. Jorth and the Central Lyon School Board,

This letter is to inform you that I will be retiring at the end of the 2021-2022 school year.

I would like to thank Central Lyon for the many years I have been here. I have seen administration come and go and I have seen many faculty members come and go. Now I feel it is my turn to go (retire). I have truly enjoyed working for Central Lyon.

Ina Faye Hilbrands

Brent Jorth

From: Mandi Ver Beek
Sent: Tuesday, May 10, 2022 9:33 AM
To: Brent Jorth; Dan Kruse; Jason Engleman
Subject: Assistant Track Coach

Dear Mr. Jorth, Mr. Kruse, and Mr. Engleman,

It is with a heavy heart to be writing this email.

I am resigning from assistant track coach for next spring season. I have loved every minute, even through the rain, wind, and freezing temperatures. Coaching with Dan, Toby, and Greg is an experience everyone should get to have! I will miss getting to help better the athletes here at Central Lyon and watch all the success they have on the track. I have decided that it is more important to spend more time with my family and have a little less stress on us all during planting/track season. I hope to some day be able to return to coaching in the future.

I want to thank you for giving me the opportunity to coach here at Central Lyon I have enjoyed working with the other coaches and the athletes. I love running and I hope I passed that on to at least one athlete! I wish the program the best of luck and can't wait to come watch!

Mandi Ver Beek

5/12/22

Dear Central Lyon School Board:

Please consider this my formal resignation as coach for both the Middle School and High School Mock Trial teams. I have enjoyed my time as coach for both age ranges, and I am pleased to say I have worked with some incredible students and coaches. Central Lyon has a great history with Mock Trial, and I was very happy to be a part of it.

I can't say enough about the remaining coaching staff, they are all very easy to work with and passionate about the sport. Whether we are talking about our contracted staff or our legal professionals who volunteer; their commitment is very real and appreciated. The future is very bright with the coaches we have working with the kids. As a courtesy to my fellow coaches, I feel the need to stress how important it is for all extra-curricular programs to have an equal chance to work with their participants. Whether an extra-curricular is seasonal or year-long, all programs deserve an equal opportunity to help our Central Lyon students be successful. These students are shared by all of us, let's do the best we can to help the students achieve their goals.

Thank you for letting me be a part of a great program! I see nothing but continued success in our future!

Sincerely,

A handwritten signature in cursive script, appearing to read "Sam Kruse".

Sam Kruse

Re: 5th- 6th Technology Teacher / Transitional Kindergarten/ Special Education

After working through current retirement and resignation opportunities, Central Lyon has advertised for all possible openings for the 2022-23 school year including a 5th/ 6th Grade Technology Teacher, Transitional Kindergarten, and a Special Education Teacher. With an interview team consisting of administration and grade appropriate teaching staff the following recommendations are made to approve the hiring of the following individuals:

Eric Arnold- 5th / 6th Technology Teacher

Nola Jones- Transitional Kindergarten

Jamie Schar- Special Education

Memorandum

To: Board of Education

From: Steve Harman, PS-6 Principal

Date: May 2022
