

## **6th Grade Technology Teacher (part-time)**

### **Central Lyon Community Schools**

**REPORTS TO** Building Principal

**FLSA STATUS** Exempt

**PREPARED DATE** 4/2021

**START DATE** 8/2021

#### **JOB SUMMARY**

The technology teacher will provide instruction for technology literacy and computer science skills to students in Grade 6. The teacher will be responsible for developing and regularly updating an engaging and innovative curriculum that focuses on developing skills that encourage personal productivity, creativity, critical thinking, coding and collaboration in the classroom and in daily life. Topics include keyboarding, computer applications, coding and legal/ethical issues.

#### **ESSENTIAL DUTIES & RESPONSIBILITIES**

- Demonstrates ability to enhance academic performance and support for implementation of the school district's student achievement goals.
- Demonstrates competence in content knowledge appropriate to the teaching position.
- Demonstrates competence in planning and preparing for instruction.
- Uses strategies to deliver instruction that meets the multiple learning needs of students.
- Uses a variety of methods to monitor student learning.
- Demonstrates competence in classroom management.
- Engages in professional growth.
- Fulfills professional responsibilities established by the school district.

#### **OTHER JOB FUNCTIONS**

- Plan, prepare and deliver lesson plans and instructional materials that facilitate active learning by developing schemes of work and tests that are in accordance with established procedures. Ensure classroom is prepared for activities.
- Instruct and monitor students in the use of learning materials and equipment by using relevant technology and a variety of learning materials and resources to support and differentiate instruction. Establish and communicate clear objectives for all learning activities.
- Manage student behavior in the classroom by establishing and enforcing rules and procedures. Discipline shall be maintained in accordance with the rules and disciplinary systems of the district.
- Encourage and monitor the progress of individual students and use information to adjust teaching strategies. Observe and evaluate student's performance and development, assign and grade class work, homework, tests and assignments. Provide appropriate feedback.
- Maintain accurate and complete records of students' progress and development, and update all necessary records accurately and completely as required by laws, district policies and school regulations. Prepare required reports on students and activities.

- Communicate necessary information regularly to students, colleagues and parents regarding student progress and student needs.
- Demonstrate preparation and skill in working with students from diverse cultural, economic and ability backgrounds.
- Encourage parent and community involvement, obtain information for parents when requested, promptly return phone calls and answer emails.
- Participate in department, school, district and parent meetings. Participate in appropriate professional activities, extracurricular activities such as social activities, sporting activities, clubs and student organizations as directed.
- Other duties as assigned.

### **QUALIFICATIONS**

Minimum qualifications include a valid Iowa teaching certificate, a Bachelor's Degree from an accredited college or university with a major in education or acceptable content area. Must possess proper state certification and licensure for position. Employee is expected to demonstrate continued professional growth specific to the program(s).

### **COMMUNICATION SKILLS**

Strong written and verbal communication skills are critical to the success of this position. Must possess the ability to communicate effectively with a variety of individuals and groups from all levels of the organization, including staff, principals, and central administration. Communication will include individual to large group presentations as well as written communications and reports. Individual must have effective listening skills.

### **ANALYTICAL & REASONING SKILLS**

Individual must have a solid background in instruction, assessment and curriculum, as well as have the ability to interpret data, which may be very complex and varied. Must be able to apply instructional strategies and link assessment data analysis to school improvement, curriculum, and professional development.

### **TECHNOLOGY SKILLS**

Position requires the individual to be competent in a variety of methods in research and information gathering through technology. The ability to present and communicate through technology is required.

### **PHYSICAL DEMANDS AND WORK ENVIRONMENT**

Normal office physical demands. May periodically have moderate physical demands and may be required to lift up to 50 pounds occasionally. The noise level in the work environment is usually moderate. Generally employee works inside.

### **TERMS OF EMPLOYEMENT**

Salary and work year to be established by the Board.

### **EVALUATION**

Performance of this job will be evaluated by the building principal according to the Iowa Teaching Standards and guidelines of Board policy.

The statements contained herein describe the scope of responsibility and essential functions of this position, but should not be considered to be an all-inclusive listing of work requirements. Individuals may perform other duties as assigned. Nothing in this job description restricts the Board's right to assign or reassign duties and responsibilities to this job at any time unless restricted by law or a negotiated contract.
