

How to Update your Parent Information on JMC

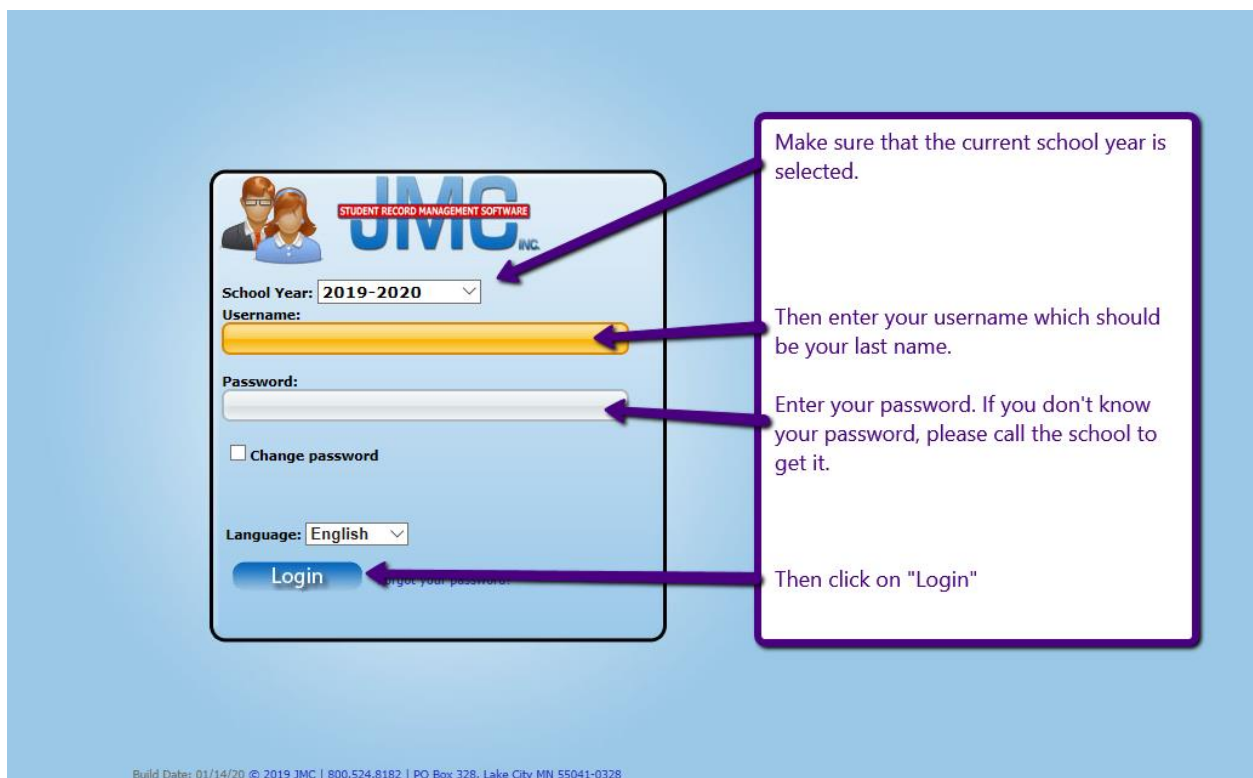

Open an internet browser and go to centrallyon.onlinejmc.com

Then click on "Parents"

The screenshot shows the JMC logo with the text "STUDENT RECORD MANAGEMENT SOFTWARE" and "Since 1980". Below the logo are six icons representing different user roles: Office Staff, Point of Sale, Teachers, Parents, Students, and New Enrollment. A purple box with text and arrows points to the "Parents" icon and the browser address bar.

Make sure that the current school year is selected.

Then enter your username which should be your last name.

Enter your password. If you don't know your password, please call the school to get it.

Then click on "Login"

The screenshot shows the login form with the following fields: School Year (dropdown menu set to 2019-2020), Username (text input), Password (text input), a checkbox for "Change password", and Language (dropdown menu set to English). A blue "Login" button is at the bottom. A purple box with text and arrows points to the School Year dropdown, the Username field, the Password field, and the Login button.

Fill in your phone number that you want the school to use to contact you and a description such as "Mom's Cell" or "Home phone."

Then place checkmarks in the boxes on how/what you want to be contacted. SMS will give the school administration the ability to send out texts on anything related to school. The next 3 are related to phone calls. You can choose all, some or none of these options.

Lastly, remember to click on the "Save" button!

As the next popup will tell you, any changes you make in JMC have to be approved by someone at CL before they will show up in your parent information and be active. This usually only takes a short time but can take up to 48 hours. Please do not submit changes multiple times unless you have contacted the school and we ask you to!
